# 5<sup>TH</sup> EDITION ICC SUSTAINABILITY CONCLAVE 2023

2-3 November 2023

The Imperial Hotel, New Delhi

Department of Chemicals and Petrochemicals, Govt. of India has recognized the 5th edition of the ICC Sustainability Conclave as a Departmental Event.

## Prime Minister's Message for the 1st Edition of Sustainability Conclave

This initiative to encourage sustainable management of the entire lifecycle of chemicals is a priority area for the manufacturers, producers and consumers alike. The chemical industry must strive for enhancing the sustainability of chemicals. Contribution of chemical industry is vital for environmental management of chemicals to prevent pollution of underground and running water.

Best wishes for successful deliberations at the Conclave.
