Theme "Sustainable Chemical **Manufacturing: Innovations, Integration and Incentives.**"

Prime Minister's Message for the 1st Edition of **Sustainability Conclave**

This initiative to encourage sustainable management of the entire lifecycle of chemicals is a priority area for the manufacturers, producers and consumers alike. The chemical industry must strive for enhancing the sustainability of chemicals. Contribution of chemical industry is vital for environmental management of chemicals to prevent pollution of underground and running water.

Best wishes for successful deliberations at the Conlave.
